Dear David,

Welcome to the Arizona Music & Entertainment Hall of Fame Advisory Board!

The Arizona Music & Entertainment Hall of Fame was created to recognize and honor all those exceptional people whose creative talent and insight have entertained and influenced not only those of us who live in Arizona, but others across the nation and around the world. The AMEHOF is committed to the preservation of written histories, recordings, videos, photographs and all types of memorabilia pertaining to its Inductees.

As a member of the AMEHOF Advisory Board, you are required to participate in the nomination and voting process of new Inductees. You will join an elite group of industry professionals whose knowledge and experience in one or more areas of the entertainment industry insures a fair and comprehensive choice of new Inductees.

Participation in activities developed to broaden awareness of the AMEHOF is not a requirement of membership. However, we very much encourage Advisory Board members to show their support by attending functions and special events, the Induction Ceremony in particular. We also welcome and may, from time to time, ask for advice or assistance in projects undertaken by one of 10 committees committed to the preservation and celebration of Arizona's rich creative arts heritage.

We appreciate your interest and support!

The AMEHOF Board of Directors
