Dear David,

Hello to all Performers and volunteers who helped us make the AMEHOF benefit show at Handlebar J on Sept. 6 a tremendous success!!

All the final accounting will take a week or so, but at this point it looks like we made a little over \$10,000.!!!

This was much more than we had ever dared to hope for....

Thanks to all of you for donating your time and your talents. We couldn't have done it without you.

This money will go towards helping the AMEHOF grow and hopefully establish a physical "Hall" building in the next year. Please stay in touch and keep supporting the AMEHOF. Watch the AMEHOF website for progress reports and news... [www.azmusicalloffame.org](http://www.azmusicalloffame.org)

This is YOUR Arizona Music & Entertainment Hall of Fame. If we all keep pulling together like we did last Sunday, the AMEHOF will continue to progress and be a treasure of Arizona entertainment history for future generations to come.

From the bottom of my heart,

Thank you!

Hans Olson  
AMEHOF Treasurer
