On behalf of the Arizona Music & Entertainment Hall of Fame, I would like to thank you for all your help and participation in the July 26th fundraising event we put on at the Rhythm Room. Your help with getting the word out helped the event become a big success.

Thank you so much for obtaining all those raffle items and for handling the raffle ticket drawings. The quality items we raffled off really made a lot of people happy! The extra revenue from the raffle ticket sales really helped!

I sincerely hope we can work together again in the future,

Respectfully,

Hans Olson,  
AMEHOF Treasurer
