

HOSPICE  
of the VALLEY

June 8, 2009

Dear David and Amy,

Thank you for your support of Hospice of the Valley. We are grateful for your time and energy spent securing raffle items, food and press releases for **Rock, Bop and Hop for Hospice** on May 24, 2009 at The Rhythm Room. You helped Andy Gonzales raise over \$1,200 for this first time event and we are thrilled with the results.

Hospice of the Valley depends on the community's generosity to bring services to patients and families in need and to offer services that aren't covered by health insurance. That could be a visit from a pet therapy team, a bedside concert by a harpist or the soothing, gentle touch of a massage. The extras that create enjoyable, memorable moments in patients' days carry out our mission: bringing comfort and dignity as life nears its end.

Warm regards and thank you again for your support,

Trisha DiSano
