Dear Mr. Marshall,

I read in a recent newsletter that your business has become an active member of the Tempe Chamber of Commerce. Please accept my thanks for taking the time to become involved in our community. I urge you to become active in the organization and provide your recommendations and suggestions as to how the City can better serve your business as it serves our residents.

Tempe is the best place to live, work, play, go to school, raise a family AND have a business, large or small, anywhere in Arizona. I believe that is true, in large part, because our residents and businesses are active participants in our community and help us do the best possible job to create a very sound economy. Thank you for your willingness to be an active part of Tempe's community.

Please feel free to contact my office if we can be of service to you.

Cordially,
